This "city of light" has long been a world leader in so many ways, not least of them in design. This attractively illustrated book covers the most up-to-date Parisian design from the fields of architecture, interiors and fashion. With an in-depth round-up

featuring projects for cultural, commercial, and residential spaces, we get a privileged glimpse at what's happening in this creative capital. We also are granted access to the latest developments in product design and other specialties. Browse this book for a whole host of designs by native Parisians and those who work or live here.
