This isn't a coming out story. Nor is it the tale of a lonely heart seeking companionship. This is about how I learned to fight.

My name is Nathaniel Courtney and I'm a survivor. I didn't let the cruelty of others wear me down, and I've weathered the more subtle hardships of the heart. Love is a Trojan horse, slipping past your guard and leaving you ransacked and vulnerable. I emerged from that war not unscathed but as a new man. The only mistake I ever made was letting the right guy get away. Now I've got one more chance. This is the final battle, because if I fail now... I won't. You'll see. Just listen to my story, Kelly Phillips, and when I'm done, please don't walk away. Take this weary soldier into your arms so we can find peace together.

作者介绍:

Jay Bell never gave much thought to Germany until he met a handsome foreign exchange student. At that moment, beer and pretzels became the most important thing in the world. After moving to Germany and getting married, Jay found himself desperate to communicate the feelings of love and alienation that surrounded this decision. He's been mashing laptop keyboards ever since.

Jay is a Lambda Literary Award winner and a fairly bad dancer. He also thinks that you're really cool. Seriously.
