出版时间:1994-9

装帧:Pap

isbn:9780916144807

The design of the Mayans rival in artistry those of any other great culture of the world -- yet how incredibly exotic and mysterious they seem in their imagery and symbolism.

The intricacies of the designers' skills offer exciting challenges to all artists and craftspeople, who can now translate these masterpieces into crewel, needlepoint, woodblocks, stencils, wall hangings, richly coloured paintings -- any number of possibilities. Every one of these pages offers a rich feast for the imagination.
