ART & TODAY is the most comprehensive survey of contemporary art of the past three decades. The book's original thematic organization gives a welcome order to the flux of contemporary art. Over four hundred of the most significant contemporary artists from around the world are represented, including emerging as well as established figures. The book's lively, straightforward, and authoritative writing makes the volume a perfect introduction to contemporary art for students in the field as well as anyone

interested in the subject. This book is the follow-up to Phaidon's extremely successful ART TODAY.

作者介绍:

Eleanor Heartney has been a contributing editor to Art in America and Artpress for more than ten years. Her recent publications include Postmodernism (Movements in Modern Art), and Critical Condition: American Culture at the Crossroads.

Art&Theory課上選讀了部份章節，非常受益。不足是本書以作品的主題分類，因而不夠深入且有一定的局限性。對部份藝術家的評論亦有爭議。

-----  
全书的感觉就是“啊啊对对就这么继续分析下去！ ....喂喂喂你还没怎么说呢怎么都结束了” 很多非常好的切入点，至今都是热门争端，但什么都浅尝辄止很让读者着急

-----  
还好吧...其实只看了art piece...光看小标题就觉得其实应该讲得不会深入吧

-----  
难啃的一本
