出版者:Harpercollins

出版时间:2007-5

装帧:Pap

isbn:9780061143328

In addition to sharing detailed accounts of her highest highs and lowest lows, as well as her scathing views on the state of public affairs today, Mayor Lois Griffin also shares the pages of this book with the people who put her in office. By giving them such a strong voice in this record of history, she not only reveals how Quagmire pimped out

the vote, Peter sold out to the media, Meg coped with sudden celebrity through sullen poetry, Stewie mounted yet another terrorist plot against her, disgraced former mayor West recovered from defeat, and she herself succumbed to the temptations of the job, she also reveals just how valuable she holds the ideals of democracy. Part biography, part town-ography, this no-holds-barred book comes with a strong message for all: It takes a village—and sometimes even a village idiots wife—to set things right in America again.
