isbn:9780486998435

Focusing mainly on England, these illuminated engravings range from the 9th to the 15th century. Bursting with colour and detail, the 48 plates include Norman knights

and archers, Richard the First, numerous earls, war horses, and weaponry. This is a Dover original selection from "A Critical Inquiry into Antient Armour, Vols. 1-3, Henry G. Bohn, London, 1842".
