## Book Description

The best of van Gogh's eternally popular paintings, gathered together in one magnificently produced volume.

Nearly 120 years after his death, Vincent van Gogh and his work continue to exert a powerful fascination. This book offers the reader a selection of the artist's most unforgettable canvases as well as some lesser-known examples, many drawn from the collection of the Van Gogh Museum in Amsterdam. It explores the works in the context

of van Gogh's short but brilliant career, in which frequent spells of isolation did not preclude lively engagement with his artistic peers and the ideas of his time.

Van Gogh's brush was guided by a remarkable, restless, and wide-ranging intelligence that found another outlet in the continuous stream of letters written to family and friends. The artist's correspondence—one of the most important archival resources of nineteenth-century art—provides the narrative thread around which this study develops. Belinda Thomson considers van Gogh as a cosmopolitan figure who combined in his art experiences and traditions absorbed in his native Netherlands and in Victorian England, and then succeeded in assimilating and making his mark on the practice of painting in France at one of its richest periods. 170 color illustrations.

作者介绍:

About the Author

Belinda Thomson has published extensively on Impressionism and Post-Impressionism. Her books include two titles in the World of Art series: *Gauguin and Impressionism: Origins, Practice, Reception*.

## 评论

谢谢送我书的大智童鞋

-----  
我猜他很幽默

-----  
藏品

作品都是梵高本人经典，内容都无法比较，书的质量很好，印刷不错，只是色彩处理的较其他略微明亮，比较清新。没有一些画册难闻的印刷油漆味，如果喜欢文森特建议收藏。

-----  
印刷基本上能体现出梵高的厚涂颜料的技艺。

-----  
UTS图书馆借到 以前一直读梵高的传记 被他的人生震惊 画却是从来没有仔细欣赏过 直到今天这本比脸还大的画册 给了我视觉上的冲击 每翻一页都能被它的色彩吸引震撼 每幅画的细节模糊又充满生命力 飘渺又真实

-----  
有此人的其他书 [wopaila.com](http://wopaila.com)

-----  
偶然淘到的，不知道是不是盗版。但是确实才花了50块，且印刷质量很好。

2013.4.6 Hirst Library: 粗略翻过, 主要看画
