Comic art has finally reached acceptance as a legitimate and important art form in its own right, and is a source of inspiration for musicians, fashion designers, and Hollywood directors. In "Comic Art Now," some of its finest exponents are gathered together for the first time in a volume that reveals the diversity and rich talent that abounds in this visually thrilling artform. The book showcases the top contemporary comic artists, whether they are established professionals such as Bryan Talbot, John Cassady, Alex Ross, Sean Phillips, Chris Ware, Mike Mignola, Dave Gibbons, Brendan McCarthy, and Frank Cho, or hot new creators making waves in the industry, like Kaare Andrews, JG Jones, Jason, and Steve McNiven.

评论

虽然Mark Millar在扉页中的话很煽情，但这本画集所选的画很多并不怎么样。
