出版时间:1983-5

装帧:Pap

isbn:9780486244433

Artist Carol Belanger Grafton presents 503 beautifully drawn banners, ribbons and scrolls from authentic 19th-century sources. Sumptuous Victorian designs reflect the

glorious styles of the past--Egyptian, Gothic, Renaissance, Baroque--and prefigure the styles of the future--Art Nouveau and Art Deco. Each and every design is handsome, affordable, and copyright-free.
