Special Make-Up Effects concentrates on the genre of horror characters and other special creations (fantasy, sci-fi, etc), giving tips about the materials, techniques, and 'tricks of the trade' necessary to create unique make-up effects. This focused volume is

a scaled-down version of Vincent Kehoe's encyclopedic reference for professional make-up artists. It contains new segments and photographs. This book shows how many of cinema's most famous characters and effects were developed. It gives students and make-up artists the techniques they need to perform their own magic.
