Can you tell how many cherries there are? How many apples? In the brilliantly colorful My Very First Book of Numbers, children can find the number of fruits in the bottom half of a page that matches the number of boxes and numerals in the top half. In My Very First Book of Words, children can match the picture in the bottom half with the word in the top half. Which one is the car? Which one is the fish? Only you can match them. Children will love solving the puzzles of these clever, vibrant books.
