Ouchie and Squishy love bowling, even if it isn't the coolest sport. And their favorite place to bowl is Bowl-A-Rama—until the city council condemns the decrepit bowling alley. Ouchie and Squishy are devastated. Then they meet Gazebo Zamboni, the rich, reclusive, totally nutty owner of Bowl-A-Rama. Despite Mr. Z's insistence that the world is ending soon—a ghost told him so—Ouchie and Squishy manage to convince him to keep Bowl-A-Rama open, at least until the apocalypse. He allows the boys to restore the old alley, and even sponsors a million dollar strike contest to bring in customers. Just when things start looking up, the most nightmarish scenarios of Squishy's overactive imagination come to life. Someone—or something—wants Bowl-A-Rama's doors to close. Forever.
