Hailed by the New York Times as "both a treatise and a romp," a bold and brilliant novel of a man coming to terms with himself. Now in paperback, this provocative tale within a tale details the life of avant-garde novelist and college professor Thelonious "Monk" Ellison. Monk, frustrated with his dismal book sales, composes a fierce parody of exploitative ghetto literature entitled My Pafology , which is greeted by critics as the work of a great new voice and garners him the success that he covets. Monk's impending struggle with his moral principles emerges as a revolutionary and riotous indictment of race and publishing in America.
