From the moment she hatches from her egg, Grady Goose has to do things her way, often ignoring her parents' rule of "stick together." But when she lags behind as the rest of her family leaves for warmer climes, Grady learns the hard way that one is the loneliest number, especially for a young goose. A chance encounter with a helpful farmer soon sets things right, and a happy ending is in store for Grady and her family. Denise Brennan-Nelson, the author of the delightful "Someday Is Not a Day of the Week," returns with another gentle lesson for young readers. Artist Michael Glenn Monroe's beautiful nature scenes, coupled with an informative section on geese facts, add a wildlife component perfect for classroom use.
