Children will have fun developing their multiplication and division skills with this colorful I Can Multiply and Divide tablet. In this 128 page workbook children will move progressively through skills starting with multiplying and dividing single digits and then

moving on to double digits. Word problems are also included so children can apply these skills to real-life situations. Each page offers ample space for children to complete exercises, and all activities are ordered in the appropriate educational sequence. The "I Can series" is dedicated to helping children practice and perfect important early-learning skills. Featuring 10 titles for children in preschool to fourth grade, these workbook/tablets cover printing, cursive, addition, subtraction, time, spelling, and much more
