Twelve-year-old Ellie Tremont is bored, and she wishes something, anything, would happen to make her feel alive. So when 14-year-old Tommy Bowers moves in next door, Ellie knows her summer is about to get a lot more interesting. When Tommy suggests they start a camp for the kids on their street under their elderly neighbors', the Watsons, porch, Ellie quickly agrees. And when Tommy gives her a diamond necklace that he says he bought, she's suspicious, though smitten. But by the time her parents don't want her spending time with him, she's already given him her heart.
