出版者:Houghton Mifflin

出版时间:2005-10

装帧:HRD

isbn:9780618583386

This oversized paper-over-board concept book takes toddlers all over George's world and theirs. Each page features a different concept: counting, shapes, opposites, emotions, family, jobs, homes, transportation and lots of new words. From morning to night, city to country, home to town and back again, little readers can follow George as they learn more about their own worlds. Just the right book for toddlers learning to talk to help build their vocabulary.
