Ladies and Gentlemen, presenting the legendary Sweethearts of Soul.... At long last the Rock and Soul Foundation is honoring Ruth Thomas, Adeline Lights, Venus Jones and Brenda Wade with a place in its hall of fame. So music reporter Legs Diamond gets the assignment to interview the members of the group. And what a story she hears—from their start singing gospel to their fame and fortune in the 1960s and after. This is a witty, big-hearted, and irresistible story as only the incomparable Evelyn "Slim" Lambright can tell it.
