The first two novels in Allen Hoffman's critically acclaimed series "Small Worlds" are now available in paperback. The first volume, Small Worlds, takes place in 1903 and introduces the wondrous rebbe of Krimsk, a small Hasidic settlement in Eastern Europe. Secluded in his study for the past five years, the beloved rebbe suddenly emerges on the eve of Tisha B'Av, the holiday commemorating the destruction of the holy Temple in Jerusalem. His congregants are overjoyed to see him, but their joy is to be short-lived, for this holiday at the dawn of the 20th century will be marked by strange and momentous events that will change their lives forever.
