Three hundred years ago, Raven St. James was accused of witchcraft... Only one man tried to free her from the hangman's noose--Duncan, the town minister, who died trying to save her. Three hundred years later, the accused witch still lives and longs for her love... At last, after centuries of loneliness, Raven has found her precious Duncan. But as he awakens to the passion of his past life, so too does the evil that tore them apart. Now Raven and Duncan must prove their love for all eternity...
