Pacific Vortex! is an adventure novel by Clive Cussler. This is the sixth book released featuring the author's primary protagonist, Dirk Pitt, though the author states that this was the first story that he wrote featuring the popular action hero. It was published after much internal debate, and a great deal of prompting from his friends, family and publisher. Cussler states in the Foreword that he feels it is a not up to his usual standards and should be treated as sort of a historical curiosity.

应该是仿的凡尔纳吧，不过海底岛这个脑洞确实厉害，可惜和历史悬案还有外星人的联系不够密切，罗林斯来写应该会好很多。结尾倒是看过的皮特系列里最好的，回味悠长。开始啃老爷子的原版。
