Called to a gruesome crime scene, Inspector Javier Falcon is shocked and sickened by what he finds. Littered like flower petals on the victim's shirt are the man's own eyelids, evidence of a heinous crime with no obvious motive. When the investigation leads him to read his late father's journals, he discovers a disturbing and sordid past. Meanwhile, more victims are falling. While Falcon struggles to solve the case, he finds the missing section of his father's journal-and becomes the murderer's next intended victim. Combining suspenseful storytelling with a thoughtful exploration of the human psyche, The Blind Man of Seville confirms bestselling and award-winning author Robert Wilson as one of the greatest literary mystery writers working today.
