Lady Maura Daventry has been forced to endure the condemnation and whispered speculation of society ever since the murder of her scandalous mother. But when Maura inadvertently discovers that the wrong person might have been held responsible for the crime, she sets out to find answers by teaming up with Gabriel Sutcliffe, Earl of Hawksley, the one man who could prove to be a threat to her vulnerable heart: the devilishly handsome and dangerously seductive son of the very man once accused of her mother's death...
