Every home cook has questions and "How to Peel a Peach" has the answers. Whether you're a bona fide beginner or a kitchen dynamo, chances are you've been stumped by culinary questions great and small. In these pages, wise, worldly culinary professional Perla Meyers comes to the rescue, offering a wealth of information about ingredients,

equipment, and techniques in a forthright Q&A format. With timeless recipes that illustrate her points, it's as if this prominent cooking teacher is by your side, conducting a series of special classes just for you.
