出版者:Antique Collectors Club Ltd

出版时间:2003-7

装帧:HRD

isbn:9781864701012

This collection of houses illustrates a splendid diversity of stylistic approaches and a range of creative possibilities. An obvious love of the traditions of architecture is evident in each one no matter what the historical precedent or geographical location. The common language is decidedly Classical, yet American architect Ken Tate's personal interpretation and intellectual rigors allow each building to stand apart as an individual work of art beautiful, livable and utterly engaging.
