

Introduction to Teaching

[Introduction to Teaching_ 下载链接1](#)

著者:Fielstein, Lynda/ Phelps, Patricia H.

出版者:Thomson Learning

出版时间:2000-11

装帧:HRD

isbn:9780534565473

Fielstein and Phelps present a unique and realistic approach to the fundamentals of teaching as a career. Not only are the rewards of teaching established and explored, but also the challenges educators' face in the classroom. The text also introduces students to the larger topics of the education discipline, such as history, philosophy, learning theory, teaching techniques, assessment, and classroom management. Its primary goal is to help serve as a "pump" for promising future teachers and a "filter" for those who should possibly choose a different career.
