# Visualization In Landscape And Environmental Planning

[Visualization In Landscape And Environmental Planning_下载链接1_](#)

著者:Bishop, Ian D. (EDT)/ Lange, Eckhart (EDT)

出版者:Routledge

出版时间:2005-5

装帧:HRD

isbn:9780415305105

This major reference presents the challenges, issues and directions of computer-based visualization of the natural and built environment and the role of such visualization in landscape and environmental planning. It offers a uniquely systematic approach to the potential of visualization and the writers are acknowledged experts in their field of specialization. Case studies are presented to illustrate many aspects of landscape management including forestry, agriculture, ecology, mining and urban development.
