Practical and beautiful, the homes featured in Great Spaces: Home Interiors represent the best in residences from around the world. Internationally renowned architects have created timeless works with style and originality, and their own commentary on their designs, plus full contextual information, floor plans, and construction details mean their work can become part of the evolving continuum of home design. Lavishly illustrated with full-color photographs, Great Spaces: Home Interiors is an invaluable sourcebook for anyone working in the residential design field.
