

The HOK Guidebook to Sustainable Design

[The HOK Guidebook to Sustainable Design_ 下载链接1](#)

著者:Sandra F. Mendler

出版者:Wiley

出版时间:2005-11-29

装帧:Hardcover

isbn:9780471696131

The practical reference guide on the integration of sustainable, high performance design covers major sustainability issues on an introductory level. Newly updated, this

edition emphasizes the project process, cost implications, case studies, and lessons learned from HOK's wide range of project experiences. You'll find: Coverage of issues and design strategies related to site planning and design, energy and water conservation, materials selection and specification, and interior environmental quality. Concise checklists of issues to consider at each stage of the design process, accompanied by detailed how-to guidance. New chapters on post occupancy evaluations and greening your practice. A detailed glossary of terms. Order your copy today!
