Now in paperback! From the biggest notions of carefully styled rooms to the smallest comforts and delights of accessorizing a home with your favorite things, Inside Log Homes offers suggestions, understanding, and inspiration regarding the intensely

personal and expressive world of log-cabin living. Author Cindy Thiede peeks through doors into hundreds of uniquely styled and personally appointed spaces. Sometimes comfortably familiar, other times surprising and unexpected, each room may plant the seed of possibility for your own emerging vision of home and hearth. Cindy Thiede has spent twenty years photographing and writing about log-home architecture in the United States. Additional titles by Ms. Thiede include Hands-On Log Homes: Cabins Built on Dreams, The Log Home Book: Design, Past and Present, American Log Homes.
