著者:Edwards, Brian (EDT)

出版者:Routledge

出版时间:2004-4

装帧:Pap

isbn:9780415262712

Green Buildings Pay examines, through case studies of commercial and university buildings, how different approaches to green design can produce more sustainable patterns of development. The case studies are described by their designers and often also by the client, thereby ensuring that the buildings are seen in the context of market

realities.
