著者:Sampson, Carol A.

出版者:St Martins Pr

出版时间:2001-5

装帧:Pap

isbn:9780823016297

A guide to estimating for interior designers. It offers basic information, along with sections on Faux finishing, including trompe l'oeil; Roman shades; using upholstery fabrics for drapery and bed coverings; and more. This edition contains new chapters on hard floor coverings, including marble, stone, wood, painted canvas and vinyl. All material and labour cost figures have been updated.
