著者:Evans, Robert

出版者:John Wiley & Sons Inc

出版时间:2001-1

装帧:Paper

isbn:9780787956110

In this insightful look at school reform, Robert Evans examines the real-life hurdles to implementing innovation and explains how the best-intended efforts can be stalled by educators who too often feel burdened and conflicted by the change process. He provides a new model of leadership along with practical management strategies for building a framework of cooperation between leaders of change and the people they depend upon to implement it.
