In this new book by expert quilt designer, Maggie Ball quilters discover ways to play creatively with traditional blocks to create new looks. From contemporary fabrics to

combining various patterns and colors, this book instructs quilters to use their interpretations to create unique variations. This catalyst of creativity: features 20 projects varying in size from wall hanging to bed-sized quilts; uses variations of blocks quilters that are familiar with including Trip Around the World, Bear's Paw and Ohio Star; and refers to 200+ colour photos to guide quilters in adapting patterns to their own creations. "Traditional Quilts with a Twist" encourages quilters to couple traditional with contemporary for an exciting new look they'll love.
