出版者:Transition Vendor

出版时间:2001-4

装帧:Pap

isbn:9781568581798

As a young girl, Madelain Farah spent hours watching her mother cook. Capturing her mother's "a pinch of this" technique, she has re-created recipes for everything from Arabic Bread, Lentil Soup, and Eggplant Salad, to Baked Fish with Tahini Sauce, Supreme Lamb Stew with Kibbi, and the classic Cucumber Yogurt Salad.
