The chocolate chip cookie is, without a doubt, North America's favorite cookie. Nothing beats a steaming, chewy cookie fresh from the oven, its chocolate still gooey and smooth -- perfection. But everyone has a different idea of what makes a perfect chocolate chip cookie, and the variations in this book provide something for everyone. From healthy to loaded with extras, the recipes are all fun and delicious. Try Kahlua Coconut Chocolate Chip Cookies, Macadamia Milk Chocolate Chip Cookies, Melt-in-Your-Mouth Triple Chocolate Chip Cookies, Grandma Matthews' Molasses Chocolate Chip Cookies, Kentucky Derby Chip Delights, and Apple-Kissed Chocolate Chip Cookies. Who wants to lick the bowl?
