Beginning sergers will benefit from this introductory guide to the serger machine and basic serging techniques. Information on the function of a serger and instructions on machine maintenance are provided along with step-by-step guidelines on sewing straight lines and curves, turning corners, and creating professional-looking seams. Additional details on stitch types, flatlocking, fabric tension, decorative techniques, and making fast fashion adornments such as collars, gathers, and hems are also included, and exciting projects like the serged napkin, swimsuit, and sweater will help augment the skills of the novice serger.
