This expanded edition of the highly popular original retains the book's imaginative concepts and down-home appeal, while broadening many sections to cover a vast wealth of alternatives for every animal-based food under the sun. From homemade veggie "meats" and uncheeses to scrumptious egg and dairy substitutes, Vegan Vittles fills the whole table simply, tastefully, and creatively. Vegan Vittles provides valuable

and timely information about modern "food animal" production, as well as constructive and effective actions that readers can take on behalf of animals.
