出版时间:1999-12

装帧:Hardcover

isbn:9780871923882

Encourage your kids to express their creativity as they discover, collect, sort, arrange, experiment, and think with found and recyclable "stuff." The real-life experiences of teachers and children will inspire ideas that you can try at home: choose objects and turn them into a display, transform materials into a face, build and glue wood scraps to make constructions. Appropriate for children four years of age and older.
