Here, is the ultimate inspirational book for all craft enthusiasts. Packed with 200 unique and attractive projects to make, it features a wide range of craft skills from traditional picture framing to jewellery-making and modelling claywork. The projects

featured include large-scale items such as fabric-painted quilts, decorative picture frames, mosaic tables and chairs, and schemes for decorative splashbacks. Smaller-scale items include beaded earrings, colourful plant pots, delicately painted champagne flutes, and wire candlesticks. Every style is catered for - for more traditional tastes there are classic candlesticks and toast racks to make out of wire, patchwork cushions, and quality wooden picture frames. For the ultimate in contemporary accessories there are stunning mosaic pots, sophisticated fabric drapes with which to decorate the home, and strikingly original jewellery.
