著者:Susanka, Sarah/ Vassallo, Marc/ Gutmaker, Ken

出版者:Random House Inc

出版时间:2005-9

装帧:HRD

isbn:9781561586813

In this new book, the bestselling architectural design author Sarah Susanka expands her familiar and popular message once again: personalised well-crafted small spaces result in a home that comforts and nourishes those who live there. This book concentrates on the tangible and sometimes intangible details that bring an otherwise ordinary home to life: suspended ceilings; built-in shelves and cabinets; pocket doors; window seats; well-placed alcoves; and see-through lines and spaces.
