Whether you are having a formal affair or an impromptu dinner party, this book shows you how to create completely different atmospheres without having to change your dinner service. The book offers some creative table-setting ideas that make the most of the napkin's potential. Using ribbons, trims, flowers and ornamentation this collection of projects includes beautiful ways to roll, fold, delicately trim, knot, embroider and

decorate napkins. Throughout the book the photography shows you how to turn an ordinary eating event into something really special.
