Popularity meets affordability as America's favorite house style (according to a 2005 survey on About/Architecture.com) comes at a price point that every bungalow fan can afford. There is perennial interest in all things bungalow related. Every year there are numerous books, magazines and floor plans published that are all geared to the bungalow enthusiast. Taunton Press has published several bungalow-related books to great success including Bungalow Style and Updating Classic America: Bungalows. 500 Bungalows features an irresistible package at an incredible price, making this the perfect stocking stuffer or impulse buy.
