While most holiday books only get pulled off the shelf once a year, "Painting Heartwarming Holidays" gives decorative painters adorable designs for every season and occasion. The book features: 12 charming, step-by-step acrylic projects in a cute,

whimsical style; endearing scenes and characters that readers can paint on any surface; a step-by-step look at how the author creates the original designs; and clear and concise instructions on painting basics. These irresistible designs are the perfect way for decorative painters to create projects that are sure to become holiday treasures!
