After exploring the exquisite ideas and 35 projects showcased in this one-of-a-kind jewellery collection, you'll never look at "found items" the same way again. There are countless suggestions for recycling everyday objects, from electrical wire to soda cans, while uncovering their vast potential for beauty. You can begin by examining various metal types and forms and the techniques for shaping and cold-connecting them. You can select from a range of surface finishing treatments and find out about the special

skills often used for working with stones, shells, plastic, wood and bone.
