These beautiful, well-designed furniture projects are specially selected from six Taunton woodworking books: "Tables", "Chest of Drawers", "Bookcases", "Beds", "Desks", and "Dining Tables". They will appeal to woodworkers with a broad range of style preferences, including Shaker, Arts & Crafts and Contemporary. The projects, designed by some of America's best woodworkers, will help build skills while resulting

in furniture worthy of passing down generations. Highly detailed step-by-step instructions, complete working drawings and cut lists are included.
