The most valuable tool in your beadbox! With over 100,000 sold, that's still the guarantee with The Beader's Companion, Revised Edition. For years this handy manual has been the most valuable tool in your beadbox, and now we've made it even better. Portable, sturdier than ever, and easy to read, this expanded version is filled with new definitions, new illustrations, and loads of new color photographs of beads, beaded samples, and tools. The book provides basic step-by-step information on everything you need to know for a lifetime of happy, successful beadwork.
