isbn:9780689867477

Dancers are young when they first dream of dance. Siena was six -- and her dreams kept skipping and leaping, circling and spinning, from airy runs along a beach near her home in Puerto Rico, to dance class in Boston, to her debut performance on stage with the New York City Ballet. "To Dance" tells "and shows" the fullness of her dreams and her rhapsodic life they led to. Part family history, part backstage drama, here is an original, firsthand book about a young dancer's beginnings -- and beyond.
