出版者:Innovative Kids

出版时间:2007-2

装帧:Pap

isbn:9781584765448

The beginning readers with so much more! Each reader includes a puzzle, game or manipulative that extends the reading experience and reinforces the literacy skills developed through the story. It's time for the bird family to head south for teh winder--by car! The family is in for a long ride. Includes two phonics games encouraging kids to use letter tiles to build simple words that reinforce short adn long-vowel sounds.
