Nick, Kia and their Mississauga Magic teammates are on the road, heading off to an elite hoop tournament in the Midwest. Feeling outmatched by many of the high profile teams, the kids are still looking forward to a good time. However, Coach Barkley, who played college ball in the area and is still regarded as a hero, has other ideas. As usual, nothing but winning will be good enough for Coach. As the tournament progresses, the Magic players learn to believe in themselves and come to realize that they can hold their own against the opposing teams. And then, just as the team seems to have a shot at making the finals, the eligibility of one of their players is questioned and they face disqualification. Will the team spirit the road trip has instilled be strong enough to get

the kids over this hurdle? Eric Walters' first four titles in this series, Three on Three, Full Court Press, Hoop Crazy and Long Shot have all been bestsellers. Road Trip is the fifth of eight books in the Nick and Kia basketball series. Book one is Three on Three. Book two is Full Court Press. Book three is Hoop Crazy Book four is Long Shot. Book six is Off Season. Book seven is Underdog. Book eight is Triple Threat.
